Integrated Plan Committee

System Activity 4.5: Promote the expansion of existing programs and initiatives designed to increase the numbers of non-White research and health professionals. (NHAS 3.5.1)

System Activity 4.6: Increase support for the implementation of mentoring programs for individuals from diverse cultural backgrounds to expand the pool of HIV research and health professionals. (NHAS 3.5.2)

Priority Setting Committee

System Activity 3.1: Integrate programs to address the syndemic of HIV, STIs, viral hepatitis, substance use, and mental health disorders in the context of social and structural/institutional factors, including stigma, discrimination, and violence. (NHAS 4.1)

System Activity 3.2: Increase coordination among and sharing of best practices from HIV programs across all levels of government (federal, state, tribal, local, and territorial) and with public and private health care payers, faith-based and 60 community-based organizations, the private sector, academic partners, and the community. (NHAS 4.2)

System Activity 3.4: Foster public-private-community partnerships to identify and scale up best practices and accelerate HIV advances. (NHAS 4.4)

Data & Research Committee

System Activity 3.3: Enhance the quality, accessibility, sharing, and uses of data, including HIV prevention and care continuum data and social determinants of health data. (NHAS 4.3)

System Activity 3.5: Improve mechanisms to measure, monitor, evaluate, and use the information to report progress and course correct as needed in order to achieve the strategy's goals. (NHAS 4.5)

Community Engagement Committee

System Activity 4.1: Increase the diversity of the workforce of providers who deliver HIV prevention, testing, and supportive services. (NHAS 1.4.2)

System Activity 4.2: Increase the inclusion of paraprofessionals on prevention teams by advancing training, certification, supervision, financing, and team based care service delivery. (NHAS 1.4.3)

System Activity 4.3: Increase the diversity of the workforce of providers who deliver HIV care and supportive services. (NHAS 2.4.2)

System Activity 4.4: Increase the inclusion of paraprofessionals on teams by advancing training, certification, supervision, reimbursement, and team functioning to assist with the screening/management of HIV, STIs, viral hepatitis, mental and substance use disorders, and other behavioral health conditions. (NHAS 2.4.3)
