AGENDA	
Item	Discussion
Welcome and Moment of Silence	Jessica the committee meeting in a moment of silence at 10:05am to remember those lost to HIV/AIDS and to recognize the resilience of individuals living with HIV.
Approval of Agenda & Meeting Minutes	Jessica reviewed the agenda. Rosie Ruiz motioned to approve the agenda, seconded by John Nelson Jessica reviewed the minutes from the June's meeting. Rosie Ruiz motioned to approve the minutes, seconded by John Nelson Rosie Ruiz motioned to approve the minutes. The Support Team opened up a poll for both the Agenda and Meeting Minutes and both were approved.
Introductions	Committee members, state representatives, and guests introduced themselves, stating their names, organizations, and areas of expertise.
Committee Overview and Review Evaluation	The committee reviewed the meeting evaluation from June, noting 12 attendees with 8 completed evaluations. 2 state representatives, 0 guests, 5 NJHPG and 1 Committee Member We asked what questions were for

The NJHPG is maintained by the Divisions of HIV, STD, and TB Services (DHSTS) with support from the South Jersey AIDS Education and Training Center (AETC) – Jefferson Health.

	- None/NA (2) We asked if there were any Final Comments, Questions or Concerns - N/A
New Business	The committee focused Draft Recommendations for System Activity 7.3: Electronic health records in emergency rooms, urgent care centers, and primary care settings should prompt clinicians to discuss PrEP and its role as a preventative medicine with patients. 1. Action Step: A training that supports the development and implementation of PrEP education and stigma-reduction training for clinical team members in emergency departments, primary care practices, and urgent care settings to increase provider knowledge, normalize PrEP as an HIV prevention strategy, and improve patient awareness and access to PrEP. a. <i>Stakeholders Involved/Needed</i> 1. AETC, University of Washington b. Is this task measurable? ☐ Yes ☐ No

The NJHPG is maintained by the Divisions of HIV, STD, and TB Services (DHSTS) with support from the South Jersey AIDS Education and Training Center (AETC) – Jefferson Health.

Deliverables;

1. Develop and disseminate standardized PrEP training resources for clinical care staff.
2. Provide implementation-focused training and technical assistance to support integration of PrEP workflows, referral pathways, documentation processes, and related clinical systems.

c. *Due by;*

2. Action Step Implement standardized EHR-based prompts across electronic healthcare settings to normalize routine HIV testing assessment and trigger appropriate clinical workflows for PrEP, PEP, and ART education, counseling, referral, and initiation.

a. *Stakeholders Involved/Needed*

b. Is this task measurable?

☐ Yes ☐ No

Deliverables;

1. Develop standardized EHR prompts that identify clinical and behavioral indicators associated with increased HIV risk, including STI history,

The NJHPG is maintained by the Divisions of HIV, STD, and TB Services (DHSTS) with support from the South Jersey AIDS Education and Training Center (AETC) – Jefferson Health.

	substance use, HIV testing history, and other priority populations identified through state and epidemiological data. 2. Incorporate data-informed clinical alerts and advisory prompts that provide relevant HIV prevention and treatment guidance based on patient-specific risk indicators and current epidemiological trends. 3. Integrate a standardized sexual health assessment within the EHR that, based on patient responses and clinical indications, automatically prompts appropriate next steps for HIV testing, PrEP and PEP education, ART education, counseling, referral, and linkage to care. <i>Due by;</i>
Data and Research Committee Agenda Next Meeting: October 28, 2026	Co-chairs announced the next meeting, for October 28, 2026, via Zoom.
